## Maryland Orthopaedic Association's 2020 Annual Meeting February 8, 2020 Hotel Annapolis

Dear Exhibitor,

On Saturday, February 8, 2020, the Maryland Orthopaedic Association will hold its Annual Scientific Meeting in Annapolis. This is our most ambitious meeting of the year, and features presentations and symposia on issues of current interest to practicing orthopaedists, as well as the presentation of twelve juried scientific papers by residents and fellows. We expect over 100 orthopaedic surgeons to attend.

On behalf of the Maryland Orthopaedic Association, I invite you to participate in the upcoming Scientific Meeting as an Exhibitor. The major orthopaedic hospitals in Maryland support the Annual Meeting and it draws a mix of academic and private practice doctors with whom to interact. I am sure that your company will want to reflect its commitment to orthopaedics in Maryland. Please register as soon as possible; space is limited.

Thank you for your commitment to orthopaedic education in Maryland and I look forward to seeing you at the Annual Meeting in February.

Sincerely,

Scott McGovern, MD  
President, Maryland Orthopaedic Association
